Description: Due to a supplier issue that has since been corrected, certain lots of turn signal bulbs may develop a crack at the base of the bulb glass which can cause it to become inoperable. If the front right and/or left side turn signal bulbs are inoperable, there will not be an indication to on-coming drivers or pedestrians that the vehicle will be turning, increasing the risk of a crash or injury. Remedy: Dealers will inspect both the right and left front turn signal bulb lot code. If a bulb lot code is confirmed to be affected, the bulb will be replaced. This service, which is conducted at no charge to you for parts and labor, could take up to one (1) hour to complete, if part(s) replacement is necessary. However, your Nissan dealer may require your vehicle for a longer period of time based upon their work schedule.

Glossary

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Lease

When someone leases a car from a dealer, the dealer actually sells the vehicle to a leasing company. The leasing company then collects payments for the vehicle from the new owner for 24, 36, 48 or more months. A leasing company can be an independent car dealer or a car manufacturer.

Manufacturer Recall

Automobile manufacturers issue recall notices to inform vehicle owners of a safety defect or failure to meet minimum federal safety or emissions standards. Manufacturer recalls are repaired at no cost to the customer.

New Owner Reported

When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
