04/05/2016		Volkswagen	Manufacturer Safety Recall issued NHTSA #16V170 Recall #46G4 BRAKE PEDAL CLIP Status: Remedy Available Locate an authorized Volkswagen dealer to obtain more information about this recall  Learn more about this recall

Description: A securing clip at the brake pedal hinge may be missing. If the clip is missing, the pedal pivot pin could start to move and the pedal could lose guidance. If this remains undiscovered, the pedal hinge could fracture after continued operation, allowing the pedal to dislodge. The customer may not be able to properly actuate the brakes with a dislodged brake pedal. A non-functional brake or reduced braking power could lead to a crash.

Remedy: Affected vehicles will be inspected for presence of the securing clip. If missing, the clip will be assembled as required.

Glossary

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Manufacturer Recall

Automobile manufacturers issue recall notices to inform vehicle owners of a safety defect or failure to meet minimum federal safety or emissions standards. Manufacturer recalls are repaired at no cost to the customer.

New Owner Reported

When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
